

Pocahontas Area
Football Parking Plan
2009-2011

Dear Visiting Teams and Fans,

The Pocahontas Area/P-P Home football season will have some potential changes in parking this season. In addition to the construction on the new high school building addition, plans are in the works to relocate the softball field to the area directly east of the baseball diamond.

The visiting teams will enter through the gate directly in front of the bus barn. Home fans are encouraged to park in the Saint Peter Lutheran Church parking lot marked in the upper right hand side of the map. Handicap/fans and all other parking will enter through the south main entrance/gate. Parking questions can be directed to Joanne Brinkman at 712-335-4311.
